Registration Guideline

ACCTCS 2027

1. Once you receive the ***Notification of Acceptance*** from ACCTCS 2027 Organization Committee, you are required to finish the registration process within **4 weeks**. Otherwise, the submission of your paper will be regarded as a new paper to repeat the review process once again.

   In order to process your paper as timely a manner as possible, we highly recommend you follow the registration rules. If you have any questions that need help, please send email to acctcs@aeescience.org in time.

2. Documents for Registration

1	Final Paper	In word version
2	Copyright Form	Download from website
3	Registration Form	Download from website
4	Payment Receipt	In JPEG/PNG/PDF

a. Final paper

According to the IEEE publication policies, all papers submitted need to meet the standard format requirement. Please read the ***Word Template*** carefully, and then modify the format of your full paper ensuring that the front, front size, spacing, title, etc., meet the standard format of IEEE.

The ***Word Template*** can be downloaded from ACCTCS 2027 official website, or click the link below to download it directly.

http://acctcs.org/files/Template.doc

The final paper in word after the modification is one the key documents you should send to us during registration. So please make sure you make it the right way.

b. Copyright form

You can download the ***Copyright Form*** from ACCTCS 2027 official website, or click the link below to download it directly.

http://acctcs.org/files/IEEE%20Copyright%20and%20Consent%20Form.pdf

Please print out the ***Copyright Form***, and fill in the content related to your paper. Don't forget to sign your name in the end. Scan the form you have filled and send to us in **PDF**.

c. Registration form

If the number of authors is more than one, you need to decide who to fill in the registration form. One person is enough for one paper. You can find the ***Registration Form*** from official website or download it directly from the link:
